

Greetings Tiny Tots community,

As the Mother of two Black Sons it broke my heart to watch the Murder of Mr. George Floyd at the hands of the police. The moment he cried out for his mother left me shaken and in tears.

Tiny Tots is a family and as such it is important that we address the level of unrest that we are feeling in this moment and in this space. There is a cartoon that has a police officer ask a young black boy "what do you want to be when you grow up?" the child answers "alive".

As the CEO of Tiny Tots I want to assure you that Our staff are committed to ensuring that while your children are in our care they will be provided every opportunity to Dream Big, to explore the world of science, art, and music and to enjoy play time. Children don't know prejudice ...its taught! It will Never be taught or tolerated here!

As we continue to deal with COVID 19 and all the restrictions, please be assured our focus is on you and your children "our family" we will continue to provide care in our Tiny Tots way.... loving, compassionate, professional and fun!

"No Justice No Peace" is not a cry for chaos, but rather a cry for Justice for all people of every race, creed, sexual orientation, and color. Tiny Tots stands in solidarity with peaceful protest for the Murder of Mr. George Floyd and all other Black people killed by police brutality and vigilante lynching.

Black Lives Matter!

Sincerely,

Angelia Hicks-Maxie

Angelia Hicks-Maxie CEO
Tiny Tots Development Center
